B&M Bulletin is a publication of the Boston & Maine Railroad Historical Society.
The purpose of this index is to assist modelers and historians in earching articles of interest.
The index is organized so that any of the columns can be sorted by clicking on the tab on the right side on the top row of each column.
Copies of back issues may be purchased from the B&MRHS. Not all issues are available.
Each issue includes the "White Flags" column of news and editorial opinion plus Frata and Addenda that are not included in this index.
If the author of an entry is unknown, Bulletin Staff is instreted into the Author / Contributor column.
If you are reaserching the subject of an article, be sure to also review the following one or two issues. Occasionally Letters to the Editor offer corrections or amplifications of the subject.
If you have any questions or corrections please contact the B&MRHS or Jack Dziadul at jacktaidaul@gmail.com
